“ I dont know if anybody checks back here anymore. Its 2020 and i still feel lost without my dad. I miss my dad, i miss how happy our family used to be, and i hate how anybody barely mentioned me. Only one time. I was so close to him, and i regret not speaking at his funeral. I had no words because i felt like i had to be the strong one. Im not strong, i miss him so much. I wish i could have been a better child for him.

He was a genuinely caring person who left this world too soon. My husband, Ronnie, and I send our sincere, heart felt condolences to the family. Our thoughts are with you and our prayers are for you, that God will be with you at this very sad time and that He will give you peace and comfort now and always. Rest in peace, Ricky.
