“ Lori, Lisa and Robyn, I am so sorry to hear about your dad! He was one of a kind. He would always act like he was so happy to see me and always remembered to ask about my family and my job. I loved seeing him when I came into Henryetta. There aren't enough words to say about how he was such an awesome Christian man and he loved you girls so much! Love you girls and praying for you all!

“ Lori, Lisa, Robyn and Family i am so sorry for your loss. Growing up right next door to you guys it was just natural to see Bob almost every day. In my mind, i can still see him puttering around on his mower mowing the lawn. I also still remember him leading our music at Immanuel and he had a very good voice. Bob always seemed to drop everything when i came down to buy suits from him. I don't know if he did this for everyone, but he always threw in a tie for me. Your mom never had to measure me and knew exactly how i liked my lengths. I know they are both reunited in heaven but more importantly with his Savior. I know he will be missed.

“ There will never ever be another Bob Cunningham. Such a gracious gentleman. Never ever forgot a name. Made every single person feel important and special to him. Loved shopping for our sons and my bosses at his wonderful Bob's Clothiers. Loved his beautiful June and his precious daughters and grands. Oh how he loved each person God allowed in his life. He taught us all sooo much about true love for our Lord and Savior, Jesus Christ. We will forever miss them both. Our love and our prayers for each of you. He was sooo proud of each of you. God bless.

“ *Sorry to hear of Bob's passing. He was a gentle and kind man. He was my Sunday School teacher as a young boy, 12 or early teens, and he had a lot of lot of patience with us. He always sang in the choir and filled in when our worship leader was on vacation. I always enjoyed shopping at Bob's and visiting with him. I always appreciated him and admired him. Thank you Bob for investing in me and our community. Our prayers and thoughts are with the Cunningham family. We know that Bob will be singing in the choir in heaven. Joe and Ginger Shockley*

“ I can't remember a single time that Bob didn't have a smile and a hug just waiting for me. I remember listening to him sing when I was a teenager and I thought how wonderful it would be to sing like that. I can just imagine Bob now with that smile and singing with the Angels. I have been blessed not only to be a family member but also a friend of this most precious Christian man. I know his life touched so many people showing his love for family, friends and God. We will miss Bob but soon, Praise God, we will see him, our loved ones and friends once again. 🙏🙏

“ MY LAST UNCLE

Who called me Jake !!

So we traveled to Henryetta . Stop at Hospital to see Aunt Thelma and Mama in Cafeteria.. on to Grandma sitting on her couch looking out the door for visitors.. on to Station on highway to see Uncle Carl and Uncle Doyle . Sometimes Aunt Reba .. getting a bottle of Coke on way out.. on to Uptown to see Uncle Bob working and Aunt June at the sewing machine.. we talked between customers and always say will see you later .. but a refreshing and enjoyable visit.. They all are missed and Loved ..

MY UNCLE BOB WHO CALLED ME JAKE !

We all have different last names .but we all and there are many of us are 'CUNNINGHAM '

Jerry ☐

(I did not compose this). 

he knew the angels were calling for him.

a few friendly faces to greet him through the heavenly gates.

so he lifted high and floated high with no pain,

God set him free of his pain.

“ So many memories of Bob---years ago we drove to the Orange Bowl to watch OU play--looked around and lo and behold there was Bob--Jim Beymer--Rick Thompson and others that we can't recall---we all made it home safely despite a big snow storm that had closed parts of I-40---also several years ago we bought a Burnt Orange Buick 2-door car from Bob--the doors were bigger than the car we have now--and it had the most comfortable Orange velour seats in it--most comfortable car we ever owned!! I bet the girls remember their Dad having that big Buick LOL. When you stepped into Bob's Clothing and mentioned anyones name Bob could tell yo u just what to buy for them and in what size--always amazed us. We will miss our friend---but he is back together with his June. Sending hugs to the girls.

“ Bob was a great guy and I loved visiting with him and getting to listen to all of his stories. I know that his family meant the world to him and he deeply loved you all . I would also like to say that he has three amazing daughters that were so attentive to him. Those girls were always there for him with so much love, respect and a little sarcasm. (lol) I don't know if they knew that the eye rolls they all were giving looked like just like the ones that their Dad gave too. Along with my love and prayers, I'm sending smiles too because I know that he is smiling down on you all.
