“ My deepest condolences to Wanda, Lisa, Karen and your entire family. Bob makes up so many of my first memories in Henryetta whether he was making a joke, whistling in 2 tunes at the same time, or leading in church. He was a wonderful example of what a Christian man should be and I am thankful he is finally where we all want to get one day. I am very sorry that my family and I couldn't make it up there today but wanted to send our love to you all. We will keep everyone in our prayers and while we are deeply saddened by this loss to everyone who knew Bob - we are so very happy that we will see him one day.

“ *Funny Bobby!! One if not the most and fondest memories from my childhood was of "Uncle Bobby". The funniest man, even as a little boy I remember this man would make me laugh I will ALWAYS remember his warm laugh and wide generous smile. You knew when he liked you, I don't think he could hire it, thinking back, he had a good soul as a mere human, now that he IS a soul, God will relish in his presence, that I'm sure of. I'm sure he is playing his guitar and telling some jokes and making them old souls laugh.*

We will miss you down here Uncle Bobby, that's God's honest truth, but God's honest truth I'm sure He is very glad to have you come home also, so, go home and tell them we're all coming soon.

Love and miss you till then,
