“ *Bob will always be remembered roaming the streets of Henryetta neighborhoods with his big leather bound insurance book and a bigger smile and greeting for all. He was one of the kindest people in town who took great care of his customers. We will all miss him.....*

“ Uncle Bobby, I will always remember you coming to watch me play softball when I was a teen ager. Then you came and watched my daughter Ashely play . She would always get excited, and call you to let you know when she would be playing in Henryetta, for she knew you would be there to cheer her on. Also to let the umpire know how he was calling the game. Her and I always loved how you were there watching each game we played. We will always keep those memories dear and close to our hearts. We miss you greatly, but know you are home and we will see you one day. We love you Uncle Bobby.
