“ I am going to miss this man like no other! His love was unconditional...irreplacable!
My fondest memory were of us setting on the porch and talking about life and laughing until we were crying...and our faces hurt!
I will conrinue to set on the porch and talk to him...may you RIP my friend, 😭

“ I am so glad I had the chance to see you and
visit with you for a little while before you
gained your wings, it meant a lot to have you
tell me that you were praying for my mom and
my baby who was in the ER at the same time.
You'll be missed Brother Tarzan but I know you're no longer hurting.
