“ I have so many things to say i just do not know where to start. We worked together for many years with nothing but smiles and Laughter, he was more than a co worker or a friend, he was Family but most of all he was truly loved and Looked up to by My Family and Me. I talked with Ron on weekly basis from the time we finished our last job together until he retired, i will miss him, his sense of humor and especially the phone calls .To Carol , Becky and the Rest of Rons Family you guys are in our thoughts. He will truly be missed.

I am so sad today and there is void in the world now that cannot be filled by anyone. Butch always stayed in touch with all the family and felt it was his responsibility to check on all of us
I have so many good memories of the time we had growing up. The hours we spent at the creek fishing at grandma and grandpa's.
Grandma would let us take a pan and corn meal with us to the creek so we could cook our fish. We would get fresh tomatoes and onions out of the garden to eat with our fish. Butch convinced me we could wash our fish in creek water and it would be clean. The times continued as we grew up and I knew he was always there for all of us. His kindness and love he showed to all of us was something so very special. The love he had for his wife, children and grandchildren told the story. I will miss my special cousin. Butch I loved you and will miss you forever.
