“ Oh sweet Jesus--I don't even know where to start---Rosie started working with me on 3 to 11 shift at Fountain View Manor years ago when she was a student at Dewar High School. She was such a competent worker even at a young age--a trait that increased with age. There was no situation that she could not handle with her skills. She was an excellent multi-tasker--handling several problems at one time. She knew every employee and knew all of their problems and cared about them--even the ones who didn't treat her so kind. An excellent nurse. On a personal note--we took Rosie on two different trips to Branson---oh what fun we had---she would say "They treated me like a Queen."---then couple years ago we went to Silver Dollar City and met Rosie, Tommy, Robert Wayne, Bo, Sallie and the girls--it was soo cold-we were wrapped up like Eskimos--I left my gloves with her when we left--Rosie had very small hands with tiny fingers---we always called on her at work when small hands were needed. Her position at work will be filled but she can never be replaced---there will never be another Rosie --oh how she loved Bo, Sallie, Dixie and Darla --I know Bo's heart is broken and mine is to--I will miss her forever.
