I think of the time we spent with Aunt Sandy and Uncle Chuck and how wonderful she was to us. And how she made me feel part of the family. What a beautiful woman inside an out. Rolland and Sue Norris

Momma, you are always going to be my hero. I love you so very much. I don't want you to leave me. When I was sick, you were there. When I was in trouble you were there. When I was happy, sad, mad, weak, strong, right, wrong, you have always been there for me. Even today, when I'm struggling with something in my life I always long for you to help me through what ever it is that I feel I can't make it through without my mom. In my heart, you will always be right here with me and I'll know I can make it because you love me. Thank you momma, for everything. For your unconditional love. For being my mom. ❤️
