“ *We worked on many projects together over the 29 years we shared at OSDH. During the tough times I was just happy to have Sean as someone I could count on for support. I think we needed each other during those days. I'm still shocked by his passing and I'm sure you and your family must be as well. I'll keep praying for you all whenever I think about your loss. Just lean on God harder than you ever have because I know that He has great plans for you. God is always looking out for you, even when you can't feel it!*

“ I have so many great memories from when Sean and I were kids. Fishing with Grandpa Andy, riding a rusty 3-wheeled bike around Henryetta, wrestling, and lots of laughter. He was such a smart, loving person and so good with his family. I was so happy that he married Stephanie and had so much love in his life.
