“ *I grew up on May Street in Henryetta...two blocks from Sharlee.. we attended Roosevelt school together...I spent a lot of time in her home with Lorraine and Leonard....and her two brothers....when they moved to Choctaw street....Sharlee and I borrowed her brothers motor scooters and tried to drive to the old lake....I turned one over as soon as I got to the lake road.. my knee was very skinned up but I don't think the scooter was hurt...I just learned of her death today...I loved my childhood friend....and am so sorry for your loss....Margaret Marris Daniels*

“ *A sister is, and always will be, a ray of sunshine in an otherwise cloudy day. Sharlee will be missed without measure. Nothing will ever replace the space in your heart that a sister occupied. If you keep that space filled with her memory and your experiences together, she'll always be there with you.*

“ Sharlee was such a sweet lady. Every time I saw her she asked about my family. She was so thoughtful Everytime we met. I loved hearing stories about my brother (who she said was the sweetest) and her (precious and such a good boy) son and how they both enjoyed swapping the best cookies for the other ones house! I may enjoyed it because it was the first time I got to taste an OREO.

I hope that yall find your comfort in the Lord. Please accept my deepest condolences.

Love you.

“ I had been praying every day when I got ready to open an email about an obituary that it wasn't Sharlee, as I had heard she was in a very weakened condition. I will always consider Sharlee to be one of my best longtime friends, as we had known each other since we were about 3 years old and our families were great friends. I am so devastated to hear that she has now flown from this world, but I know where she is and has been welcomed by our Lord and included with His angels. God speed, Sharlee, my sweet redheaded friend, and blessings and comfort for your sweet family that you so lovingly raised.
