“ I didn't have the opportunity to meet Stephanie when she moved to Clearview but I heard how excited she was about starting a new life here with her children. Our prayers go out to her children and family for peace and comfort at this time.

“ Words are not enough to express the love and loss I have for this amazing beauty! She always had the best smile for me and any time I saw her, we laughed. Even after I moved to Colorado, each and every time I saw her, we talked and hugged and laughed. You were, are, and will be forever loved❤️❤️❤️
Until we meet again.....

“ *I can believe she's gone steph and myself were pretty close friends we stayed in touch even after graduation there was a time that I was always with her and staying at her house and her at mine we made so many memories can't just remember one we laughed together cried together had so many good times one time that we laughed so hard about she had her truck and I was riding with her and we ran out of gas coming down the old highway and it stopped just outside the entrance of the gas station right before pig out so we had to push and there were some Mexican guys there and she made me translate to ask if they would help us push they were laughing hard at us but we went with it and we always laughed about it ! Or another time she was riding with me we were somewhere we weren't supposed to be and I hit a stump in the road and my car died and we had to call her mom Peggy to come pick us up she was so mad at us I will miss u steph and all the good memories we made together rest in paradise and I will continue to pray for your babies*

“ Condolences to the family, also Stephanie we were becoming good friends and I just wanted to say that even though we weren't super close I still loved and cared about you because I knew you were a good person. This really saddens me that you are gone. Thanks for not ever judging me ❤️ and I will miss working/talking with you ❤️ We love our kids SO much and they know that, that's what our whole day used to consist of.
