“ *I am so sad to hear this news. I have mentioned this story many times over the years, but I will never forget Steve's kindness to me as a younger, non-athlete in high school - very simple acts that came naturally to him, yet hard to overstate how important. I have passed along this gift to many others over the years, from the strength of his example. My thoughts and prayers to the Poulton family in this difficult time.*

“ *I would be only considered an acquaintance to Steve. I have known him since the 80s but we only knew each other from shared friends and church functions. I work at the school where his niece, Hannah, attends. She loves her Uncle Steve very much. One thing I have ALWAYS associated with Stephen Poulton is his faith. He didnt just believe in the message of God's good news...he lived it. This faith will be the reason we all can be with him again...one day. I know he will be deeply missed because he loved and cared for others deeply. My prayers are with you all.*

“ I remember when Bro. Steve came to Dustin First Baptist, and gave his testimony; what a testimony it was. I didn't connect the name with the face, until I saw the photo; God jogged my memory. I can see his grin when he said, "Wish I could take credit for just a portion of my life, that would be a lie," his eyes lite up, " God has been in control from the beginning and He will be there for eternity." Rest In Peace, Brother Steve.
