“ *Back in the days of high school and into our early 20's Steve and Rollow. myself (AB) and Ed spent a lot of time together... it's like the time Ed and I were outside in the smoking area between 1st and 2nd hour. Looked up to see Steve and Rollow and they said get in and skip school... and of course we did. However when we returned to school between 4 and 5th hour.... We were missed.... Schuller School who would have thought we would be missed... we did get punished over it but it was worth it...I bet almost all who were his friends have many of the same type stories... he will be missed.*
