

Steven Marshall

May 1, 1967 - January 23, 2024

Steven Dwayne Marshall was born May 1, 1967 in Henryetta, Oklahoma to John and Judy Marshall. He spent his childhood as an avid athlete, making countless memories (and trouble) with his siblings, cousins and friends. He graduated from Henryetta Highschool in 1985. In adulthood, Steven lived in Tulsa and Bixby where he met and married his wife, Tiffany Yates Marshall. He found success in oil and gas after moving to Houston, where he raised his family. In 2021, he moved to Bryan, Texas, where his wife and son still reside.

In his down time, he enjoyed spending weekends hunting at his ranch in Bremond, Texas and taking scenic drives on his Harley Davidson. However, Steven was always happiest wherever his children, Mason and Chance, were. He was the ultimate protector and provider for his loved ones. He treated friends as family and continually put family above himself.

Steven was a faithful believer that was called home to his Lord and Savior on January 23, 2024 at the age of 56. He is preceded in death by: his parents, John and Judy Marshall, brother, Kenneth "Butch" Marshall, life-long friend, Ray Busch, both sets of grandparents and numerous aunts, uncles and cousins. He is survived by: his wife, Tiffany Yates Marshall, his two children, Mason and Chance Marshall, his brother, Brian Marshall, sister, Johnna Marshall and her partner, Penny Moore, and many beloved nieces and nephews.

Service will be at 10:30 am, Saturday, February 3, 2024 at the Dewar First Baptist Church with Rev. Ryan Wells, officiating. There will be a reception following the service for family and friends at Rustlers BBQ (806 Industrial Road, Henryetta, Ok)

Services are under the direction of the Rogers Funeral Home.

“ *To Stevens family. I worked with Steven at BP and just heard yesterday about his passing. I want you all to know he made a difference in the world and at BP. As you know best, he had a ready smile and a bit of mischief and loved you all. He spoke of you often. He was a good man and I have no doubt he was a good father and husband. He is fondly remembered by me and many at BP. I am truly sorry for your loss and grieve along with you. Sincerely Stephen Sauer.*

“ Dear Cousin,

I have many memories of us all growing up together in Henryetta; sports, family reunions, swimming at the pool and all being together at Grandma and Grandpa's house! What fun we all had! Mom would also bring us to your home for visits and I so looked forward to that cause y'all had a treehouse! You were always so kind and loving and never ignored us younger cousins! Haha. I'll never forget the time my friends and I had snuck out and came to a party that was going on somewhere in the woods! As soon as I walked in I saw you and Joey Coe and you hollered out "Lori Ann, what are you doing here"! lol! I knew my cousins were there and would protect me and y'all did!❤️. It is hard to let ya go Cousin! I looked back over conversations we had on Messenger and you always would say " I love you and John David very much"! We love you too and always will! You were well loved Dear Cousin! Rest in peace❤️☐

*Lori,
I am so sorry for the loss of yet another cousin. Since we were always together when growing up, your family was always my family too and vice versa. I remember being with you at that party! LOL. You know I'm praying for strength for not only for his wife and immediate family, but also all the extended family and friends. Love and prayers to all.*

“ I have known Steven a long time working together at DSDS and more recently since he left the team at Shell. He was certainly unique with some one liners that had us howling with laughter. He was also very caring looking out for his friend Jeff despite the challenges that brought with it. The world will be a little less without Steven here to make us laugh but he has left a permanent impression on a lot of people that has, without a doubt, improved their lives.

“ Steven was *THAT* guy to be around if you wanted to have some jovial conversation. I first met Steven in 2012 when he started working on the Subsea Surveillance Team I worked on in Shell. Right away I knew he was ‘good people’ and even more so I found out he was an avid outdoorsman like myself, so we would have plenty to talk about. I never saw Steven without a smile on his face. He always found something to be happy about.

I like to send ‘happy holiday’ texts to friends just to let them know I’m thinking about them and to wish them and their families the best. With Steven, this took on a whole new meaning. On New Year’s 2013, I sent Steven a ‘Happy New Year!!!’ text at 12:08am. His response back at 10:25am was, “I swear I was awake....until 12:04. Didn't want to overdo the new years. Happy NY!”. After that, it became a competition to see who could send the text out first and not only for holidays like Christmas or New Year’s, but ANY holiday (i.e. Happy National Tequila Day, Happy National Goof Off Day, etc.....yes these are actual ‘holidays’, you can look them up yourself). Going back, seven days after New Year’s my wife was having a surgery performed. Steven reached out to me saying, “Hey man. Hope your wife is well. Is there anything I can do for y'all? Maybe have some dinner sent to your home tonight??”. As many of you know, this is the kind of person Steven was and one of the many reasons he will be sorely missed.

I want to especially send my deepest heartfelt condolences to Tiffany, Mason and Chance for their loss and pray for them in this very sad time. RIP Buddy...

Respectfully,
Tristan Ordone

“ Words can't describe how much I love all of the John Marshall family. Steven was not only family but he was Joeys best friend. I am so proud of the man he became. He gave so much of himself to his family and friends. I remember that Joey, Ray and Steven were like the 3 Musketeers. Always together doing something. Through the years I've come to find out I probably didn't need to know what they were up to. LOL. They had a love for each other as strong as brothers. I'm heart sick that this has happened to Steven and for his family. He will be missed by everyone. Fly high Steve. We love ya !!!

“ Steven was a friend and my neighbor here in Bryan. You could see his smile across the street, if he was outside he always greeted us with happiness. I had Steven come over to meet my son's and father in-law (couple cold miller lites were consumed) we all told stories and enjoyed that evening. He left such a great impression as a great family provider and a caring person. I Always enjoyed walking across the street just to see what he was up to and to get some of that positive vibe he displayed. RIP MY FRIEND

“ *To the Marshall Family,
I am so very sorry for your loss. I taught all of the Marshall kids, and I remember Steven as a pleasant young man who usually had a smile on his face. He was a friendly guy who wanted everyone around him to be happy, too. (This is how I remember all four Marshall kids.) I haven't seen or talked to him in many years now, but I will miss just knowing he's not out there somewhere. I felt much the same way when I saw that Butch had passed. Please accept the condolences from our family for both of your losses. I will be praying for you all. Much affection!*
