To my cousins I am so sorry for the loss of your momma. Sue to me was like an aunt that I grew up with. Even though she was married to my cousin I always consider her like my aunt. When we get together we would talk about old times like our trips out of state, we would giggle and just laugh. How I will never forget those greatest memories. I wish I could be there with ya but just know Jr and i miss our family. Our thoughts and prayers are with ya and we miss ya so much. To Aunt Sue I will never forget you and we will see each other again. Mvto
