“ What a great lady Aunt Thelma always was!!! She was a positive, loving person who seemed to always bring out the best in others. She loved Uncle Paul Wayne and her kids so much which she showed every time we had those big family activities together. It was always a pleasure to be in her presence. I have wonderful memories of my time with her. She will be on my list of favorite people that have influenced my life for good!!!

“ Aunt Thelma was always one of my favorite people in the Decker family. She was always cheerful and kind. My best memories came when she moved to Henryetta and we were living in Norman. We took a couple of trips together. We went to Mancos for the funeral of Uncle John and had a great visit on the way. On our way back to Oklahoma as we were passing through Albuquerque we got to see the Hot Air Balloon extravaganza. We just pulled off the side of the road got out and took pictures and watched for awhile and then got back on the road and headed to Oklahoma. After that she and I flew to Washington state so she could visit Sharon and I visited my daughter Cori before we moved to Alaska. As I recall that was the first time she had flown. I loved this good woman and will miss her but know that there is wonderful reunion that is taking place on the other side. .
