

Thelma B Meadors

December 23, 1923 - December 17, 2017

Thelma Bernice Meadors, Born December 23, 1923 in Paden Oklahoma to John W. & Mollie Mae (Little) Cunningham.

Thelma worked as a Dietary Manager at Henryetta Hospital for 29 years. She has been a member of The First Church of the Nazarene since 1944, serving in many areas as Sunday School Teacher, Missionary President, the Kitchen Ministry and several other areas. Thelma had a card/letter ministry- sending encouragements to ones in need, missionaries and servicemen in the military. She had a heart for young people and would send cards to encourage them in their journeys. She was also honored by the church with the Distinguished Service Award. Thelma was brought to her daughter Linda's home to finish out her time so she could be surrounded by the ones she loved and who loved her. Clay would have been proud how well Thelma was pampered over and taken care of.

Thelma was preceded in death by her husband Clay Meadors and infant son Ronald Meadors, parents John & Mollie Mae and Brother Carl Cunningham. She is survived by:

Her 7 "Superhero" Grandchildren (One of which is the favorite):

“ As a young girl, I spent many hours at her home, urrounded by family - who truly treated me as one of their own. I grew up and even though I wasn't around as much, she never failed to end our conversation with a hug and some well used advice, that only Grandmas can give.

Blessed for all the memories...

My love & Prayers to all the family. She leaves behind such a beautiful group of people to carry on her legacy.

Love always,

“ There are too many memories of this lady to even begin to pick a favorite. She always made me feel like one of her own every time I walked through her door, and those times were many. Her first two questions were "How are you?" and "Are you hungry?" And her hugs were bountiful and strong! Thelma will be forever missed, and forever loved.

Sending your family peace and comfort. Dear sweet Thelma will get to spend her birthday in heaven with her husband. I never met him but I feel like I know him, Thelma had so many stories. She once told me that she never would have thought about marrying again because he would always have her heart. Sincerely, Reda Dunzy
