“ I remember when we were kids and I helped grandma in the summer cooking for the men and boys working in the field bailing hay, Tony and his twin brother Jerry would pester me and my brother everyday and they would laugh and laugh at us. I was the only girl in our family for 14 years, so I was pestered a lot by the twins. Tony grew up to be a wonderful person helping anyone that needed his help. He was a wonderful man, uncle, brother, husband, father, grandfather and friend to all who knew him. Tony was a simple man, but very intelligent, as he didn't have to study to make straight A's in school. Tony has always been there to help my mother when she needed him and to help me if I needed his help with Mom. Tony will definitely be missed by all. My heart goes out to you Christine, Terry and family for your loss of a wonderful man. I send my love to you all and remember that Tony will always be in your hearts, as he will be in mine.

“ When I think of my cousin Tony the words that come to mind are: Quiet, Calm, Steadfast, Honest, Trustworthy, Kindhearted, Hardworking Christian man.

If you called his phone--you did not get a recording--you got his voice--he was always available and would give sound advice when asked for. The last time I talked to him was the night before his accident. I was squealing to him that I just found out that Cody was one of the Valedictorians of his class--I was so excited and told him I was so proud of Cody and in his usual calm voice he said" We are to." A while back he were having one of our Minyard visits and the subject of cows came up(as it always did with Tony) and he said"Betty if I was a cow that's exactly where I would want to live--down there on Terry's place." I could go on and on with Tony "sayings", How blest' he was to have Christine as his soulmate. I love you Chris, Terry, Debbie, Cody, Seth, Tyler--hang onto your memories--they will never leave you-I will miss him!
