Treva was diagnosed with Alzheimer Disease several years ago and struggled daily the last couple of years of her life. This disease is most devastating for a family as they watch their loved one lose all memories and no longer have the ability to communicate with the simplest request. Treva remained joyful and would love to yodel on request, even though she didn't recognize her family. If you would like to donate, the family request you donate to the Alzheimers Association in honor of Treva McClanahan.

“ I am sorry to hear about the passing of Treva, she has fought some battles over the past couple of years but I will never forget her vibrant days. She was always smiling and visiting with anyone around, a kind and compassionate lady. While having coffee/tea with Treva, one would always leave with a smile on your face. I know where Treva is now and she suffers no more, she walks with Jesus. I look forward to seeing you one day soon, until then, God is holding you.

I am truly sorry to hear about Trevas passing, what an amazing lady! My grandpa loved her so much! She kept him on his toes until he passed away four years ago. Treva was one of the friendliest and sweetest lady I grew to know. She is certainly missed by the Hall family. I know she is probably playing some dominoes with my grandpa. Prayers to the family for that sweet lady! Nickie Hall Riley
