“ Mrs. Jones was my Sunday school Teacher and a good friend who helped me thru some hard times. She always had a big smile and a big hug for me. I could count on her for comforting words, usually from the Bible. Mr. and Mrs. Jones were two of the finest people I have ever known. Kay and David, you are so lucky to have had such a fine mother and father. My thoughts and prayers are with you.

“ *Where do I begin? I came to know Vergie in the late 60's when I was a young married not even out of my teens. Vergie taught my Sunday School class and she believed in having class fellowships to draw us closer together. She said if someone couldn't have it, we could always have it at her house. She had health problems even back then but she persevered in teaching her class and doing things at the church without ever complaining. She and Kenneth were both instrumental in winning my husband to the Lord. The course my life has taken is largely due to knowing Vergie Jones. She was a very special lady.*
