“ I have fond memories of Wanda when my Mother and I would engage in conversation with Wanda and her Mother when we would stop by their residence for a quick visit and when we would see them while out and about shopping in Henryetta or when we would see them at Geneva and RH's when we would see them there when we stopped by for a visit.

Wanda was such a sweet, kind and graceful person. My Mother and I enjoyed really good visits with all of them.

My thoughts and prayers to the family for the loss of a special lady.
