“ *So very sorry for your loss. Nola was a spiritual giant in my eyes. Her faithfulness to the Lord and her church has left an example for us all. You always knew where you stood with Nola. If she messed up (like we are all guilty of at times), she would ask you to go with her to the altar to get it straightened out. She believed in forgiveness. How she loved working with the little children. Worked the bus ministry for many years. She was an encourager, many many notes and cards she sent in her life time. She was my friend. I know she is with Jesus now and her loved ones that went before her. She is well and whole, laughing and dancing, waiting and watching for us at the Eastern Gate.*
