“ So sad to hear of Wayne's passing. We grew up together in Ada and were close. Wayne and i had great adventures together from Jr. High through college and in OKC as adults. Many stories and cherished memories in band, scouting and beyond. He always looked out for me. I am So regretful we lost track of each other in later years but I am happy to know he had great friends in Henryetta.

“ I am sorry for your loss. Wayne and I worked at Pratt's Pharmacy on 39th Street in OKC. He was the only other pharmacist at that store. He was my partner and my friend. I enjoyed working with him. When he left to go to Henrietta, I knew he would do a good job at his own store there. He was a unique and gifted man. He really cared about what he did and the people he served. It was a pleasure to have known him. I, too, will miss him. God bless.
