“ *Being the daughter of a firefighter (Jack Harrison), I had the privilege of getting to know many of the men. Wiley was so well respected. I remember his warmth, kindness and the smile he had for you each time you were around him. I know he was a blessing to many and will greatly missed by his family and friends. Praying the Lord provides the family will the peace and comfort you need as you go through this time.*

“ Many years ago Wiley was doing carpentry work for us when we lived in the house on 9th St.--building a room upstairs where the attic was. Everett told him that there was an opening at the Henryetta Fire Dept---he said "Oh I probably couldn't do that ". Everett encouraged him to go apply--and told him that with the schedule they work that he could still do his carpentry work---he applied--was hired and worked until retirement--serving the citizens of Henryetta as a Professional Firefighter--always looked meticulous in his uniform and served with dignity. He was an amazing carpenter. Wiley Shoemaker was our friend and we will miss him.

“ It takes a special heart to be a fireman and Wiley filled those boots in a big way. As a matter of fact he did everything in a big way. He loved God big, he loved his wife big, he loved his kids big, and he loved his church family and friends big. Wiley will be much missed and my prayers are with his wife Tammy, the kids and families and all those that knew him. God received a precious soul today.

“ I'll never forget Uncle Wiley. He was a good man and would do anything for anybody. I beat myself up because I haven't been able to stay in touch and today my thoughts and prayers are with the family. I am saddened to hear about the loss of him and my condolences to all the family. May you fly high Uncle Wiley in heaven and have fun with all the family that has gone before you.
