“ I have known Bill since kindergarten. He and I and others from an area where we lived were friends. Bill was a very kind person and good friend. He also played center on the basketball team. I was inspired by him at our first reunion of the class of 1960. As classmates went around the room telling us what they had been doing, he told us that he was a minister at Okmulgee. I came away from that room that he was a very religious man. ---John Greiner
