This is such a nice video memorial to a really nice man. Rock & Pat we're so good to us & our kids. They had a great garden for many years. When our kids were little, they invited us us to go pick all the tomatoes and other vegetables while they were gone on vacation. Our whole family enjoyed picking the veggies and eating them for days! Rock was so friendly and so personable. He always made us feel like friends for life! Prayers for his family as they begin a new life with so many great memories.

“ *Sorry for your loss. I wanted to share this. I'm not sure where I got it besides from the lady who rented from us and I cared for until her passing. Just letting you know it made its way to Detroit Lakes MN. I don't mean to bother you. Wishing you happiness!*

“ I will always remember Uncle Rock's eternally youthful and bright smile. As a child, I felt great happiness during the times I visited his house, and always enjoyed the thoughtful gifts of fresh corn he and Pat would send me because they knew how much I enjoyed it. Your family is in my heart and prayers even though we are a great distance apart.

“ Rock was a special man. I lost my dad at 14 and Rock was one of several people who mentored me into hopefully a good person today. I cherished his friendship as well as Pat's. Great people who always made me and my family feel most welcome in their home. He will be missed but left a great legacy that we all can benefit from. Rest in Peace my good and honorable man!

“ Rock was a great example of how a man should live his life. He was "salt of the earth and a lesson in learning". I knew him from the time I was young living in Wilburton. He was kind and helpful to my family in Wilburton, especially my mother Maye. He was kind and helpful to my family in Henryetta, especially my grandson Lane. The last time I saw him was at church when he hugged me and told me he loved me. I hugged him and told him I loved him. I am so thankful God gave me that opportunity. My heart is breaking but not for Rock. I hurt for Pat, his family, Lane and the rest of us left behind. He is whole, well, and pain free. No one will ever take his place in my heart because no one can measure up to him. I pray God helps Pat and everyone through this difficult time. Fly high Rock and always remember how much we love you. God bless, Brenda and Larry Slone

“ *Such a kind man. Praying for this sweet family. When we first moved to the neighborhood He very welcoming to us. I remember very early in our time here he noticed me at the side of the road and I was upset because our dog had gotten out and been hit by a car. He helped me get it sorted so the kids didn't come home and see their dog like that. Praying for comfort and peace for the family and thinking of him now at peace and whole, not fighting with health.*
