“ *Jay Whaley was truly a one-of-a-kind gentleman. He always greeted me with a kiss on the cheek and forever treated me as one of his own. I am still so deeply saddened by the departure of such a truly fine gentleman. Of all the the adventures in my life every time I met up with "Jay Darlin" I knew I was in the presence of a real gentlemanly friend. Thank you Jay for always and every time showing real kindness. I hope to carry your passion and genuine love for people on in my lifetime. See you later and again.*

“ I am so sorry about your loss. Jay was my uncle for several years, when he was married to my Aunt. She was mother to Revonda & Ricky.

What I remember most was how humble & kind he was to everyone. I really missed him after the divorce. He was one of my favorite uncles.

“ *Uncle Jay got up very early in the morning. Many times he woke me by pulling on my toes about 4 o'clock in the morning. He did amazing bird whistles. I loved him very much and will always miss him.*
